A new website for Agonic.

PREPARED FOR DANNI AND DESMOND · BY ERIC BERG, CRUSH

THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

01 KEEP NORTH.

02 THE AGONIC LINE.

03 YOUR FAVORITE BEERTENDERS.

THE LAUNCH

$2,500

for $3,660 of work, one time

LIVE

Within a week

of saying go

YOURS

Yours to keep

site and files in your name

01 WHERE WE STARTED

What we built it around.

01

Keep North.

Your logo line, set as a campaign. Option 1 runs the gold band of your Hop North can across the whole page, with your mark enormous on it and the can standing at full height beside it.

02

The name on your wall.

The definition of the agonic line, word for word from the wall in your own photos. Option 2 sets it like a dictionary entry on a compass card, with one fresh pour standing right on the line.

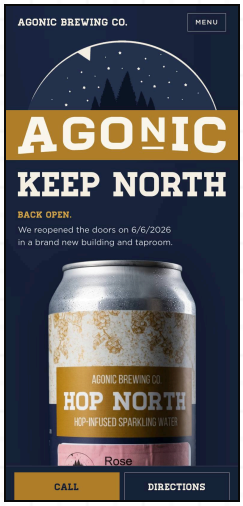

03

Your favorite beertenders.

Your own words, and your own photo of the two of you. Option 3 leans you both on that headline, in your mustard and navy, with the invitation to stop in and chat right beside you.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new site for Agonic: the homepage, your beers, your taproom and events, and a way to get in touch, built out from the top you've just seen. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your regulars and your list, so the people who already love your beers hear about the new site and the next release from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant built around your taproom, so callers asking about hours, what's on tap or this weekend's events get an answer while your team is pouring, and every call becomes a short written record.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 13 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email and line it up for your regulars and your list, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. It's built lean and tested on a preview before anything goes live, and your forms keep sending to the same inbox they do now.

03

Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What about new releases?

Then the site changes with them. New beers, hours and events are easy to update, and I'll load your current lineup into it as part of the build.
